RE: Freedom of Information Act

Dear Ms. Lopez:

I received your freedom of information act request on Monday, February 22, 2010. This letter is to advise you that Moultrie County has no contracts or agreements with any lobbyist and has never had any since so far as I am able to determine. Therefore there are no bills for services rendered by a lobbyist and Moultrie County has not paid any lobbyists. A check with employees of Moultrie County that there are no known employee contacts by a lobbyist in their position as a county employee since January 1st, 2009. Therefore, I have no documentation to provide to you pursuant to your freedom of information request.

Sincerely,

A handwritten signature in cursive script that reads "Marvin L. Hanson".
